Meeting Minutes

Date: Aug 20, 2024

Call to Order: 7:22 PM

Proxies: None

Guest:

Laykenn Kennedy

Brian Benfield

Mystri Hipsher

Minutes: Terra, Vickie, Accepted

Financials: none

Board Reports:

Chair Report: better start, moving ahead

Vice Chair Report: none

Secretary Report: laptop received

Treasurer Report: nets and clips are here for Farmington.
Kirtland has nets. Porta potty count needed.

Scheduler Report: none

Director of Coaches: Coach education went well. Weeknight helped increase the participation.

Referee Assignor: Contacting refs this week. There are a couple new U15 refs. Symposium went well. Fitness test had 10 participants with 7 passing. One more after Socctoberfest. If we get one more mentor locally we can run our own fitness tests. Great feedback from the refs and NMYSA. Grant for 50 new refs and 50 returning refs.

Gloria is looking to reimburse us for the kits we did purchase already.

Registrar Report: 1461 players registered

Tournament Director: can we do an online meeting in August and meet face to face in September. Need help finding vendors. Application to PV, make a list of people to help setup on Friday and clean up on Sunday. We would need a field marshall schedule. House of Soccer will be there, Farmington FD will be around. Stephanie will send an email to get who can help. Meeting set for 8/26 @ 7:30 PM.

Tops Soccer Director: none

District Commissioner: none

Operation Administrative Consultant:

Schedule Update - half way done

Financial Policy Reminder - send an email with commenter access to the document and have everyone state something so the board can vote on it.

Rep Reports:

Aztec: coach meeting yesterday, A few problems with rosters but working on it. Fields are getting painted, but sandbags. Terra will bring them Friday enough for 14 goal total.

Bloomfield: Nets are up. Didn't get new U12 nets but they are good for now, they are on their way now. Opening weekend is in the works with vendors and the city is joining. **Stephanie will follow up with George Duncan to get the MOU signed.**

Farmington: rosters are out, teams are practicing.

Kirtland: U15 practicing at the HS. Elementary fields secured for U12 and under. Coaches meeting this Thursday night. Practices started tonight. There were four scholarships given out and those families will be helping with the trash problem at the field.

Work/ Planning Session:

Old Business:

-Discuss FC United fees- \$10 per player per season, not per seasonal if they play in the classic. \$5 per player for admin cost. Kyle will take this to Farmington Soccer Club for discussion.

New Business:

Laykenn Kennedy- There is a lot going on within the Aztec Club. What is the process to address the concerns with board meetings, communications, player evaluations? The process is to get a report in writing to the league, email ok, that the league can work off and address the issues stated. Emails can be sent to fcyslnmchairman@gmail.com

-3 U12 girls dropped, and there are two teams in Jeopardy. Solutions were discussed and Laykenn will reach out and encourage the players to stay on the rec team. Cameron has Brian's information and will reach out if he is looking for an assistant.

-What is the rule about guest playing? Vickie motioned to have recreational guest players that are recreational only players, so that a U15 can have up to 3 subs, U10 and U12 can have 2 subs. Armando second. Players can come from any club within FCYSL. Motion passed. **Stephanie will put this on the league**

website. Vickie will send the email including the encouragement to share players. Armando will notify refs. Add anomaly to the ref report, not including a temporary roster. Dual rosters will be copied to Armando as well.

-Guest players in Classic without cards should not be allowed.

Armando will remind refs of this.

-Playing up in Classic (moving forward) Tabled

-How many classic teams? Tabled.

Meeting Adjourned: Michelle motioned to adjourn. Vickie
Second. 9:13 PM

Amendment to August 2024 Minutes:

An email was sent out to vote on player fees and the attached breakdown of fees was used as the reference. The motion to accept the fees was passed unanimously via email on 7/13/24. Classic only should be reduced by \$10. Classic and Rec players should be \$77.

Stephanie Grijalva <fcyslnmoffice@gmail.com>

Classic only fees.

Hello FCYSL Board,

It has been brought up that we might consider dropping the classic only players fees from \$40 to \$30. This is due to the idea that each of them are paying what recreational players pay for the field use but not using it for recreational games. We do not have an exact breakdown of what that fee goes towards, but after speaking with Vickie and Terra, we are confident that a reduction of \$10 would be a sufficient amount for this season. Can you please send your vote of yes or no as a reply all to this email by the end of the day. If we decide to change fees, the club registrars will need to be contacted to change that fee before Sunday at midnight.

Thank you all for everything you do to keep the league running smoothly.

Before I vote, can we clarify whether this is regarding the classic-only fee, or the fee for classic players who also do recreational?

I do not think the classic fees should be lower than the recreational fees. They should probably be higher because classic Referee pay is a little bit more (I believe).

My concern on this topic has been that the players doing classic-only last year also paid essentially the same as those who did both classic and recreational. That was the issue. I was asking about changing it so that those who do classic-only this year end up paying only a little bit more than those who do recreational-only.

Hold up!
The cost should stay! Our total estimated cost for refs only is around \$6800. That's not including paint or other costs.
I vote to keep it at \$40

Are we talking about the fee per-year, or per-season?
And is this the FCYSL-only portion, or is it the combined FCYSL & NMYSA portions?

Thank you,

So does this spreadsheet I just created appear accurate? (Basically the players in Classic will be paying FCYSL 81% more per game than the players in Rec)?

I realize the player fees go to other uses (admin services, coach education, league expenses, etc.) besides just the games (refs, paint, field use agreements). I just want to make sure I understand that the FCYSL portion of the fees for the classic-only players will be 80% more than the recreational-only players with both playing the same number of games:

Just to clarify, the club fee portion of course will vary from Bloomfield, Aztec, Farmington & Kirtland. I just wanted to put it in to make it easier to correlate this to what parents actually pay. I did highlight the FCYSL-specific fees which are the actual subject of the vote.

Classic games pay the refs more, so that is not accurate. Those games cost more per player.

This cost reduction would be for classic only players. The idea is that they are paying the \$37 FCYSL fee and the \$40 classic fee. The vote would be to reduce the \$40 to \$30 and leave all other fees in place.

This would not affect any players in recreational or rec/classic.

At this time, we have 3 votes for, 1 against, 1 undetermined. There are still board members who need to vote.

Thank you

Attached is an updated version of the spreadsheet with a correction in the Classic-Only column at the bottom of each year (previously I had an error comparing Classic-only to the fees for players who did Classic & Rec, and also with the description of the FCYSL fee in the 2024 Classic & Rec and Classic-only columns).

That could be a consideration. There appear to be an increased number of Classic only players this year. That will seriously affect our budget. Last year there weren't many but until next week's registration we won't know how many are classic only. I can't run the report for classic only that we ran last year because it was a question and that season is no longer open for those reports.
