

Four Corners Youth Soccer League

Meeting Agenda

Date: September 10, 2024

Call to Order: 7:23 PM

Attendance: Vickie R., Doug M., Michelle W., Stephanie G., Steffan C., Armando G., Steve K.

Proxies: Doug for Jon and Kyle

Guest: Alecsis Lobato

Minutes: Steffan motioned to accept, Michelle Second, Passed

Financials: none. We need to see the financials for August and September. Stephanie will follow up on financials and confirm which months we need.

Board Reports:

Chair Report: disciplinary committee, two or three meetings that need to be scheduled for coach code of conduct. Doug will line up board members to attend- Steffan, Vickie. Ask Curtis, from FSC and the state rep as well

Vice Chair Report: Code sent out for grassroots licensing with invoice. Need to send a reminder for all the coaches that attended to complete this. Fields were painted, but there was a sight issue with the colors used on the U15/U8/U6 fields. Walked the field with the list Doug sent. Michelle will get with PRCA to follow up on these.

Secretary Report: none

Treasurer Report: none

Scheduler Report: Bloomfield home weekend went well. I would like to ask the individual clubs if they would like a similar weekend.

Director of Coaches: Coach education with Rick wasn't completed by everyone in attendance, so a follow up needs to be sent. Classic coaches need to have this completed. 3v3 event went well, other than a couple complaints that occurred.

Referee Assignor: Every game was covered this past weekend. One yellow card. Order more green whistles for the under 18 refs. 3 more refs recruited that are completing training now. Armando will reach out to high school players and coaches for AR's, and will work with Terra to complete this.

Register Report: 1500 players currently registered. Consider having credentials and new coach training the week games start and in lieu of a coach training that night, we can do 3 additional events throughout the season and require that coaches attend 2 of these. This would not affect the team due date, but allows players to be added up until that week. Rent 4 rooms, one for credentials, one for U5-U8/ new coach training, U10/U12, U15/ classic. Purchase a new lanyard color each seasonal year.

Tournament Director: none

Four Corners Youth Soccer League

Meeting Agenda

Date: September 10, 2024

Tops Soccer Director: none

District Commissioner: nothing more than the coach complaints that were already addressed.

Operation Administrative Consultant: The financial policy needs to be voted in sooner than later. There are limited grants specifically for soccer and I continue to miss the deadlines due to this document not existing for our organization. I have been able to work with other grantors on a small basis without it, but still nothing much has come from that.

I spoke to Natalie Spruell and Andy Decker about food trucks at the complex during Socctoberfest. We can have food trucks on the west side as long as the menu is sent to the city and approved because we can not have them serving the same food. Stephanie will get an updated version from the city.

Rep Reports:

Aztec: none

Bloomfield: 13 games, 5 food trucks, shirt sales, fields are good. There is a small area on the U15 field that needs to be addressed, but the city is working on it. Mowing and painting Thursdays. New sprinklers are being put in after this season. Jeanine Montes is not a credentialed coach, but coaching on the sidelines on the U10 Boys team. Referee spoke to her and the head coach at the game Saturday to ask her to get that done before she can coach or help out.

Farmington: no board meeting this month yet,

Kirtland: none

Work/ Planning Session:

Old Business: none

New Business:

Meeting Adjourned: Steffan motion to adjourn, Michelle second. Meeting adjourned at 8:33 PM
