### Work/ Planning Session:

#### Old Business:

- Vickie has received many complaints on sportsmanship and we need to discuss this. Coaches fighting on the field, players not shaking hands. Referees are fostering the problem by not stopping the behavior and the problem can be exacerbated by not calling out the referee, but we do have a problem. Parents have lost the gratitude of having a referee at the game and we need to be grateful for them. We may need to have a parent meeting before the season and talk about the code of conduct.

## Meeting Agenda

Date: 4/9/2024

Track attendance through a sign in process. Coaches need to review the code of conduct and follow it.

On the behalf of the referees Armando has minimized the number of games so he can go out and do some mentoring of new referees. There are alot of new referees. Idea for next year is that each team provides a field marshall to keep games positive. Need to encourage our refs that they need to speak up. Stephanie is going to start putting Facebook posts on the code of conduct each week as a reminder. To coaches and parents.

### **New Business:**

- End of season tournament: T-shirts need to be ordered with the year on it. Will be April 29th-May 3rd.
  - Kyle will look to see how many are left.
  - Need a schedule made for tournament
  - Need to put out an email to find out which teams are interested in the tournament.

**Meeting Adjourned:** Kali made a motion to adjourn the meeting Scott seconded meeting adjourned. Meeting adjourned at 8:26pm
