**Board Reports:**

**Chair Report:** Deals with complaints, there were a few issues that came from the EOST regarding rules, but they were worked out. Current complaint for field space for Ryan Panzino (sp?), there was an incident that took place on Tuesday, May 7th.

Maka Santini- There is an online schedule as well as an MOU in place with the City of Farmington stating our field use and an hierarchy of use. If there is a field space issue, contact Maka first, if he is not available, Curtis may cover for that scenario. Ryan P. was made aware of the need to schedule field space with Maka before using the field through his mother, Lori, who was acting as his lawyer. Consider coming up with a coach discipline based on the foul language used in front of the players. A letter will be sent stating that he is suspended for the remainder of the seasonal year with FCYSL and all FCYSL activities. Coaches that encounter Ryan Panzino during practice times need to contact Maka who will take it from there. Stephanie will draft a letter to be sent and have the board review it before mailing. Doug spoke with Chris Zoltowski Bayfield Soccer Club about playing with FCYSL.

**Vice Chair Report:** Can clubs send an inventory of all goals, net, paint, and sandbags to Michelle, and requests for what is needed for the fall season.

## Meeting Agenda

Date: 5/14/2024

**Secretary Report:** None

**Treasurer Report:** Liking the paint that was ordered, so Terra will order directly through the distributor for \$20 cheaper per box. We do not need to have a 1099 for the registrar or ref assignor pay. We need to get the equipment request to Terra by June 15th.

**Scheduler Report:** none

**Director of Coaches:** Classic Connection Camp for Saturday. Coach Steve will head this with the help of other local FCYSL member coaches. Purpose- to get an invitation to a classic team. Next step- roster request from coaches to Vickie.

**Referee Assignor:** Stats compared from Spring 2024 to Spring 2023. More games were covered this season than spring 2023. There were additional training opportunities- July 27- ref symposium hosted by FCYSL and paid for through NMYSA. Referees had submitted for a ref kit and were not able to obtain those, can we order some kits for those refs up to 8.

**Register Report:** Almost 2000 players registered with FCYSL. meeting May 16th to open recreation until July 15th. Then we will open a classic for one week, July 16-22, after that has closed we will open recreation again for late players to fill teams.

**Tournament Director:** EOST- there was an issue with a 50% play rule. We need to remind parents of the zero tolerance rule. These rules need to be cleared up to avoid this from being an issue in the future. Scott will draft new rules for board review. There is no guest play for the EOST, it is strictly for the recreational roster team. The rules need to be revised to clear this up.

**Tops Soccer Director:** none

**District Commissioner:** not present- nothing sent

**Operation Administrative Consultant:** none

### Rep Reports:

**Aztec:** none

**Bloomfield:** league meeting in the next couple weeks, fields are good to go for the fall.

**Farmington:** Verified that Terra is sending an invoice to Farmington Soccer Club. Question brought up a question about the club registrar rostering players and stamping that instead of going through the FCYSL league registrar. Farmington Soccer Club will bring a proposal to Vickie about doing this at a club level.
