By completing this application, and submitting with my application/registration fee, I understand that acceptance of this application is at the sole discretion of the Four Corners Youth Soccer League (FCYSL) Board, and may be based on past history/experience.

I also understand that the FCYSL makes no guarantees about seeding, time schedules, or game locations. I also understand that the FCYSL makes no guarantees on the availability of Referees, certified, or otherwise, and that my team will be given the same consideration in assigning referees as any other team in the FCYSL schedule.

I further understand and agree that if FCYSL accepts my team into the League Schedule, I agree to play all games as scheduled. I agree to advise the scheduler, at the time of application, of any games that I will not be able to attend, for whatever reason. I understand that cancellation of additional games after scheduling has been completed, other than for reasons of inclement weather, are grounds for removal from any remaining games in the schedule, and that I may be excluded from future seasons as a result.

Upon acceptance, FCYSL agrees to provide me with a list of the teams, and their contacts, that will be playing in my schedule. I agree that the information contained in that list is confidential and will not be released to third parties, such as other leagues or teams not included in the list provided. Violation of this confidentiality agreement are grounds for immediate termination from participation, and permanent suspension from playing in the FCYSL schedule.

In an effort to reduce the amount of complaints on the field, ALL teams are required to control their spectators. Coaches will be personally responsible for maintaining control of their spectators. Complaints regarding decisions made by referees, whether they are certified or parent referees, regardless of which team may have provided them, will not be tolerated at the field. Formal complaints may be addressed, in writing, by sending them to: [gamecomplaints@fcyslnm.com](mailto:gamecomplaints@fcyslnm.com).

Complaints regarding referee calls will be resolved by the Four Corners Referee Association. Complaints regarding coach/spectator behavior will be reviewed by the FCYSL Discipline Committee. Decisions by either the FCRA or FCYSL Discipline Committee will be final. In the event that complaints involve referee abuse, offending persons are subject to suspension from FCYSL game activity, civil and/or criminal charges, and possible permanent suspension from soccer. Referee abuse, including linesmen, will not be tolerated and should be reported immediately, in writing to: [chairman@fcyslnm.com](mailto:chairman@fcyslnm.com) or [gamecomplaints@fcyslnm.com](mailto:gamecomplaints@fcyslnm.com).

ALL complaints, must be made in writing, and may not be anonymous. All complaints will be investigated, and therefore must have specific information, in order to provide a full investigation. Failure to provide adequate information/detail, may result in an incomplete investigation, and therefore an inability to be handled.

Complaints will be handled in the order they are received, and will be processed in as fast a manner as possible. However, since all investigations are handled by volunteers, please allow time for a thorough investigation. Decisions made as a result of investigation, will be sent to all concerned parties. Details of all complaints may be made public, but personal information, i.e., team names, coach/player/spectator names, will be kept confidential, unless determined to be relevant to disclosure of the incident concerned.

Excessive complaints regarding specific teams/spectators, or excessive complaints from specific teams/spectators will dilute the credibility of complaints. Please do not abuse the complaint system, as it will have a tendency to reduce the effectiveness of the system, by overworking the investigative process. This is not meant to discourage legitimate concerns, but to encourage the reporting of serious matters worthy of disciplinary action.
